01. Profile

Dynamic and motivated professional, managing projects from concept to completion, designing strategies, and really good at building relationships. Demonstrating exceptional communication skills and making critical decisions during challenges. Ability to work independently, creating effective solutions that actually solve problems.

02. Employment History

Senior Web Engineer at 10up

08/2018 - 03/2019

Remote

At this role, I've developed complex WordPress plugins and/or themes primarily using PHP. Mentored engineers and provided code reviews. Got a great contact with enterprise clients and problems, always developing clever/cheap solutions that just solved the problems.

Senior Web Engineer at Collabra Technology

08/2016 - 05/2019

Remote

Responsible for front-end and back-end that powers all the search and visual of corporate real estate portals. Testing and developing new technologies/features and finding new solutions to save money or improve performance/user experience are parts of my duties be that front or back end related.

Senior Technical Support Specialist at ThemePunch

03/2016 - 06/2016

Remote

Help customers using the tools, mostly solving the complicated problems users couldn't solve alone. Improve the support workflow, ensure replies quality to customers and improve bug reporting process.

Marketing Campaign Analyst at Pmweb Marketing Cloud Services

08/2015 - 02/2016

São Paulo - SP / Brazil

Develop and personalize dynamic marketing campaigns to big names of Brazilian retail sector using Oracle Cloud Marketing platform.

Lead Web Engineer at CODE9RS

01/2013 - 04/2015

Remote

Lead the remote team to build products based on WordPress (themes and plugins), optimize existing products, implement new features/fix bugs and polish support assistance process.
